Empowering Sports Communities

- From Grassroots to Greatness

Empowering Every Level of Sport

Sporteqa helps clubs, academies, and associations manage memberships, events, and results — all in one smart system

We unite athletes, coaches, officials, and organizations on one smart platform — designed to simplify management and accelerate growth.

Our Mission

To transform how sports communities organize, measure, and grow — by using data as the driving engine of development, recognition, and success.

Why It Matters

Sports aren't just about winning — they're about growth, connection, and legacy.

With data as your ally, every community can rise — **from grassroots to greatness.**

What Sporteqa Offers

By using Sporteqa's integrated system solutions, sports bodies can offer value-added services and extend greater benefits to members, participants, sponsors, vendors, and partners alike.

**PERFORMANCE.
PRIDE.
PASSION.**

**Born in Malaysia,
Built for the World.**

Since 2015, Kaki Jersi has redefined local sportswear with world-class design, precision craftsmanship, and uncompromising performance.

From grassroots football to national teams, our journey is built on ambition. Today, we proudly stand as the official apparel partner of Malaysia Rugby National Team and Penang FC, representing the spirit of Malaysian athletes on and off the field.

Engineered for those who play with heart, crafted for those who dream beyond borders Kaki Jersi is where local pride meets global performance. We also provide custom bespoke jersey, fit with our tagline "Wear Your Dream" jersey.

TOKSIN

Tersembunyi Dalam Makanan

PROBIOTIK
SHIROTA STRAIN
LINDUNGI ANDA!

1 APA ITU AFLATOKSIN?

Aflatoksin ialah toksin yang dihasilkan oleh kulat seperti *Aspergillus flavus*, *Aspergillus parasiticus*. Aflatoksin B₁ adalah paling berbahaya.

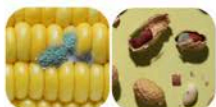

Kulat ini biasanya ditemui pada makanan yang tercemar (seperti bijirin dan kekacang)

Sumber makanan

Penyimpanan dan pengendalian yang tidak sempurna

Makanan tercemar oleh *Aspergillus*

Aflatoksin terhasil

Dimakan oleh manusia

Dimakan oleh haiwan ternakan

2 BAHAYA AFLATOXIN

Boleh menyebabkan kerosakan hati

Meningkatkan risiko kanser hati

Melemahkan sistem ketahanan badan

Tidak hilang apabila dimasak atau dipanaskan

Susah dikesan kerana tidak berbau dan berwarna

3

UPM & YAKULT BUKTIKAN: PROBIOTIK BOLEH LAWAN AFLATOKSIN!

Para penyelidik di Universiti Putra Malaysia (UPM) dengan kerjasama Yakult telah mengkaji potensi Shirota strain sebagai langkah pencegahan terhadap risiko kesihatan berkaitan aflatoksin.

Hasil penyelidikan

- ⚡ Shirota strain berjaya mengurangkan aflatoksin dalam air kencing sebanyak 23% berbanding kumpulan plasebo selepas 12 minggu.

"Kumpulan plasebo ialah kumpulan yang minum minuman serupa probiotik, tapi tanpa bakteria Shirota strain."

- ⚡ Shirota strain bantu menyingkirkan aflatoksin melalui najis dan cegah penyerapan ke dalam badan.

- ⚡ Pengetahuan, etnik dan corak pemakanan memainkan peranan penting dalam tahap pendedahan aflatoksin.

- ⚡ Kesan probiotik tidak berterusan selepas pengambilan dihentikan, ini menunjukkan keperluan pengambilan probiotik secara berkala.

Untuk maklumat lanjut:
Imbas QR untuk akses
hasil kajian di sini!

4

AFLATOKSIN DI MALAYSIA: MENGAPA KITA PERLU PRIHATIN?

1. Iklim

- Panas dan lembap – galak pertumbuhan kulat & aflatoksin

2. Corak pemakanan

- Pengambilan tinggi beras, bijirin, jagung, kekacang, kacang tanah sebagai makanan ruji
- Penggunaan rempah ratus yang tinggi juga berisiko tercemar
- Kadar pengambilan yang tinggi meningkatkan kadar pendedahan

5

5 TIPS MUDAH UNTUK JAGA DIRI

1. Simpan makanan dengan betul
2. Elakkan makanan yang berkulat atau berbau pelik (bukan sekadar bahagian yang berkulat)
3. Elakkan mengambil makanan yang telah tamat tarikh luput (tidak berkulat tidak bermaksud bebas daripada aflatoksin)
4. Membeli makanan terproses atau tidak terproses yang mengandungi sumber bijirin daripada pembekal yang dipercayai dan mengikut piawaian.

5. MINUM SEBOTOL YAKULT, SETIAP HARI!

Penghantaran adalah
percuma. Imbas QR
dan pesan Yakult hari ini!

MERCURY
GO BOLDLY.

2.5HP TO 50HP TwoStroke

ALL ROUND RELIABILITY

Mercury's proven TwoStroke engines deliver easy starting, gutsy performance, and great all-round reliability. Across the range you'll find an array of features that help keep your boating experiences more enjoyable and trouble-free. Features such as largest engine capacity displacement, giving you more low-end thrust, advanced carburettor design and fully-regulated, high output alternators powering all your marine electronics will ensure absolute boating excellence.

Mercury's portable TwoStroke engines are lightweight and powerful, start easily with the modular electronic ignition and are part of the widest choice of portable power in the industry.

YOUR PATH TO RECOVERY & PEAK PERFORMANCE

We offer expert physiotherapy, rehabilitation, and advanced treatments to help you recover faster and live better. With branches in Shah Alam and Kuala Lumpur, we tailor our services to meet your individual needs.

THE ULTIMATE IN REHAB TECHNOLOGY

- Experience cutting-edge equipment and personalized rehabilitation at Sintesi Pro Lite, designed to help you recover faster and stronger.
- State-of-the-art fitness machines for a holistic approach to recovery.
- Ideal for athletes and individuals seeking to enhance physical performance.

DRY NEEDLING

Dry needling is a therapeutic technique used by physical therapists and healthcare professionals to treat musculoskeletal pain and dysfunction. It is an effective tool when integrated into a larger physical therapy regimen. When administered by a competent practitioner, it is generally safe and can provide relief for patients suffering from chronic or acute muscle discomfort.

ADVANCED PAIN RELIEF AND HEALING

- Our **KLASER** Therapy uses deep tissue laser technology to reduce pain and inflammation.
- Speeds up recovery for musculoskeletal injuries, joint pain, and more.
- Safe, non-invasive, and highly effective for all ages.

REVOLUTIONARY RECOVERY WITH CRYOCHAMBER

- Accelerate your recovery process with our Cryochamber.
- Reduce inflammation, relieve muscle soreness, and boost circulation in just a few minutes.
- Great for athletes and anyone looking to rejuvenate their body.
